

## Schedule

# Nordic Arabian Sporthorse Championships Open

July 12<sup>th</sup>-14<sup>th</sup> 2019

Näsbyholms Säteri, Strängnäs

With many exciting events, All-round on three levels in classical riding and western and Timed Events Cup, Working Equitation, Swedish (SC) and Nordic Championships (NC) in dressage, driving and jumping as well as National Championships in Western (NCW).

### Organizers:

Event leader:	Elin Edling
Assistant event leader:	Anna Wenner
Speaker:	Ann-Charlotte Hellström, Kim Persson
Catalogue:	Emil Sandström & Hampus Råde
Secretariat:	Caroline Fossum, Louise Fossum, Joanna Lewerentz, Helena Engström
Registration:	Caroline Fossum
Sponsors:	Elin Edling
Black smith:	Vacant

### Judges:

Western:	Eva Wikander
Show Jumping:	Marie Johnson
Working Equitation:	Cecilia Hansson
Timed Events:	Eva Wikander
(Polebending & Barrelrace)	Eva Wikander
(Cross Country)	Joanna Lewerentz
(Speed)	Joanna Lewerentz
Dressage:	
(LC:1, LB:1, LA:1, MSV C:1)	Jeanette Nyman Nilsson
(MSV B:2, MSV B:5)	Eva Rydström, Cecilia Hansson, Inger Sobeus
(LB:3, LA:3)	
Ladies Side-Saddle:	Vacant
Native Costume:	Benny Freme
Classic Pleasure	Benny Freme
Exhibition:	Benny Freme
Driving:	Vacant

### Fees:

Registration fee (membership in AHIS is required):	250 SEK
Late registration fee:	600 SEK
Entry fees:	See respective class
Veterinary examination fee:	300 SEK
Stable fee; Meeting:	750 SEK
Stable fee; one night:	500 SEK

## Registration

The registration deadline is **June 28 2019**.

Electronic registration is preferred. Register at <https://horsedb.dlarsson.se/> or contact Caroline Fossum, Lena-Salsta Södra Koltorp 3, SE- 74392 Vattholma, SWEDEN

Late registration for the event is possible if space allows at a higher registration fee, 600 SEK. Late registration for an additional class by an already registered horse is possible up to 60 minutes before estimated start time for a supplement of 60 SEK per class in addition to the regular class entry fee. Entries registered within the specified registration period have priority over late entries.

A minimum of 45 registrations is needed for the event to occur.

A minimum of 3 entries is needed to form a class. If less than 3 entries, classes can be merged or will be cancelled.

All classes are open for purebred Arabian horses registered in a WAHO approved studbook and for Partbreds with at least 25% Arab, registered in an approved studbook. Partbreds will be separated from the purebreds in start- and ranking lists and every class with both breeds will have two lists of results and two price ceremonies. Purebred Arabians will have priority over Partbreds if the limit for entries in a class is exceeded. Partbreds cannot participate in the All-round Championships but will have their own cup.

For the All-round Championships, previous (2019) results for endurance or racing can be credited. Please specify this in your registration or supplement this information at the latest on arrival at the event. You must enter: competition, distance, location, result and number of entries in the class and be able to show a certificate of this.

## Payment

Registration fee, stable fee and entry fees, and when appropriate veterinary examination fee, must be paid by **June 28** to bankgiro account no: 5715-7174. Enter the **horse and rider's name** clearly. The organizer disclaims all responsibility for allocating not completely filled payments to the right entry. Entry fees to be paid to the same account no later than **Payment from abroad: IBAN SE70 6000 0000 0005 3924 8762nd Swift: HANDSESS** Please bring your payment receipt to the competition site!

Registration is considered final unless not **un-registered by June 28** and full entry fees will be charged. Refund of the entry fee and stable fee can only be granted upon presentation of a veterinary or medical certificate by latest July 14. Horse that has entered in the class is not entitled to a refund of fees.

## Accommodation

Space for parking of caravans, mobile campers, horse buses and tents are available on the competition site.

These are booked by contacting Greger Paus on +46(0)70-6322108 and paid to him on the spot. Camping fee: 200 SEK / day, electricity connection fee: 50 SEK / day

Bedrooms at the arena are pre-booked for AHIS crew. If available, non-staff can book spare beds, please contact Elin Edling at [elin\\_shamali@hotmail.com](mailto:elin_shamali@hotmail.com) or +46 (0)70-6838959 for info and shortlisting. Final approval not earlier than first weeks in July. Payment can be made by Swish to AHIS (remember name and accommodation) or at the Secretariat.

## Stabling

Stabling of the horses will be in permanent outdoor stalls. Remember to bring crib, water bucket and equipment for manure removal. Stabling fee is 750 SEK/meeting or SEK 500/day including 2 litter bales. The horse's passport must be submitted to the secretariat on arrival and will be returned after the stall has been cleaned. Stables must be booked at the registration. Stabling is considered as booked when paid. The money can only be reimbursed upon presentation of a medical certificate or veterinary certificate, see under Registration. Stabling is at your own risk. This year a **discount** will be re-introduced for those travelling more than 150 km one way. The reimbursement is 100 SEK per 100 km exceeding 150 km with an upper limit of 500 SEK. Thus, the lowest amount to pay is 250 SEK and the discount is only available for horses staying the whole Meeting.

## Ethics and rules

Dressage, jumping, driving and working equitation are judged according to the Swedish Equestrian Federation Competition Regulations (TR) for the various classes:

<http://www3.ridsport.se/Tavling/Tavlingsreglemente/>

Western classes are judged according to the Swedish Western Association (WRAS) rulebook (contact the event leader for any specification). It is not allowed to use curb-bit at the D-level!

Barrel racing and Pole bending are judged according to WRAS rulebook and include from 2017 two heats. Note that the choice of bit is free.

Class nos. 701, (Ladies Side Saddle Classic & Western), 702 Native Costume (Traditional Arabian Riding), 602 Speed and 309 Classic Pleasure are judged according to ECAHO Green Book: <http://www.ecafo.org/index.php/sports-a-results-mainmenu-115/rules-regulations-1> that also includes a description of the performance. Note that **Classic Pleasure** will this year not be assessed by a judge approved by ECAHO, or will be assessed by only one judge which not is according to the rules by ECAHO if there are more than six participants. This decision is due to high costs for appointment of approved judge(s).

Class no. 209 Cross Country is judged according to rules at:

<http://sasc.se/t%C3%A4vlingsregler%20-%20rules/regler%20terr%C3%A4nghoppning.html>

Every entered horse must have a valid passport. If vaccination is not apparent from the passport, a separate vaccination certificate must be presented before unloading (same rules as for official national competitions arranged by SvRF and WRAS).

Veterinary inspection of all horses is mandatory for jumping 110 cm, pole bending, barrel racing, reining B and speed and takes place Saturday and Sunday morning. The cost is 300 SEK and is a one-time cost per horse. The inspection must be done on the day for the class to allow entrance.

Swedish Riders of classic disciplines are recommended to have a green card from the Swedish Equestrian Federation (SvRF). For others we recommend to have participated in at least one official competition in that discipline. Note that insurance from SvRF not is valid as the present competition is under a separate regime. Consequently, participation is at your own risk and no rider license is required.

Helmet, long-sleeved shirt, approved safety vest, as well as spikes on at least the front feet (for horses with shoes) are mandatory for speed and cross country jumping. Rod and spurs are not allowed in Speed. Approved safety vest (acc. TR) is mandatory in all jumping classes for youngsters under 18 years.

Helmets are required for all riders under 18 years, equipment in general according to TR and AQHA rules, respectively.

Riders under 18 years must have written permission from a parent or guardian to be allowed to handle and/or ride stallions on the competition grounds. Guardian thereby takes full responsibility for any damage to the horse, to the child and to any third parties.

The riders provide their own number labels. The riders who don't, can borrow them at the Secretariat. If not returned, a fee of 50 SEK will be reimbursed at checkout.

No rider can enter more than three horses per class. No horse is allowed to participate in more than three classical classes per day, except for the exhibition. No horse is allowed to participate in more than five western classes, except for the exhibition, per day. A maximum of four entries per day in Western classes is recommended. For participation in both Western and Classic All-round Championships the limit for the horse is the same as in Classic classes, i.e., three.

The equipment (same horse and rider) participates in all classes of an All-round Championship, except for the Partbred Cup that is based on the results of the horse. A horse can enter the Liberty class or the class for "New friends of the Arabian horse" in addition to number of classes detailed above.

Award ceremony takes place on horseback in full equipment. Only the event leader can give exceptions from this rule.

### **Facility and courses**

The facility has an indoor arena, a grass court and three outdoor courts of different sizes. The planned court/arena for different classes is indicated in the schedule. The Event Committee reserves the right to change the specified court/arena on short notice.

### **Classes, All-round Championships and prizes**

In classical riding, there are 7 levels in jumping (50/60, 70, 80, 90, 100, 105, 110); 5 levels in dressage (Lätt C:1, Lätt B:1, Lätt B:3, Lätt A:1, Lätt A:3, Msv C:1, Msv B:2, Msv B:5) and 3 levels (D, C, B) in Western. These correspond to the ECAHO levels N, A and M. Only certain classes are included in the All-round Championships, see separate tables. This year it is allowed to enter bitless in dressage LC, LB, LA. This will be as a "class within the class" and purebreds and partbreds will compete against each other within that class. Thus, there will be three ranks within each class.

Swedish and Nordic jumping championships are nominated from results in class 263 and 274. Swedish Dressage Championship is nominated from results in class 342 and 351 and Nordic Championship in class 352. A Swedish Championship for Partbreds is offered this year and will be nominated from the same classes as for purebred Arabians, provided that a minimum of three Partbreds enter the class.

RM- and NM-titles in Western are determined in the nine classes 131-139.

The first three placed in each discipline will receive a medal.

Only riders living in Sweden can compete for the SC and RM titles and only Nordic citizens can compete for the NC title. To nominate a Nordic Champion (NC) participation from at least two countries in each class is required. SC (Classic) and RM (Western) will be regarded

as Nordic Championships if two or more Nordic countries are represented. SC (classic) or NCW (western) classes automatically become NC-classes if there are entries from at least two Nordic countries. Partbreds are not eligible for a Championship title except for in Dressage.

Prize ceremonies for SC/RM classes will be held after the class whereas prize ceremonies for the All-round Championships are conducted at the end of the last day for that cup. Placed contestants in all classes receive a rosette. In the Elite All-around Championship monetary prizes, sponsored by SAHR, will be awarded the winner and second and third ranked equipages. The prize money will be in the range 2 000, 1 000 and 500SEK. SC-, RM- and NC- winners receive a medal and a horse blanket. Jumping 50/60 cm is ridden as "clear round" and white rosettes are awarded to the participants. In 2019 the 50/60 jumping will take place Thursday evening.

Challenge prizes instituted in 2012 by Charlotte Björge will be awarded to the most versatile contestant in Western and Classic, respectively. The organizer will appoint the winners. Nasdaqs challenge prize, initiated in 2015 by Pia Lewerentz, will be awarded to the best young dressage rider.

The best jumping and dressage equipages will be awarded based on their mean percentage/faults obtained from their entries at Sportcupen.

Prize for best "Retired Returner" will be awarded. A jury will choose the winner. This award is open to riders who are over 50 years and have not competed for at least three years. Please register to the regular classes and mark with "Retired Returner".

Also in 2019 a Liberty-class will take place indoors Saturday night, lasting approximately one and a half hour. A maximum of 9 horses can participate, entrance in order of application. Each horse will get 10 min inclusive "catching". The judge for the class is Chris Ankarberg Lidén. The Liberty-class will be the "starter" for the barbeque night and some snacks and soft drinks will be served.

### **All-round Championships**

Three difficulty levels for All-round in classical riding will be available: Rookie (Novice), Intermediate (Advanced) and Elite (Master). Western All-round likewise has three levels: Rookie, Intermediate and Elite. In addition there is a Timed Events Cup and a separate Cup for Partbreds. NOTE regarding the Partbred Cup: As the number of participating Partbreds usually is low and make entries in numerous classes at various levels, the number of entries (maximum 6) including Exhibition that is obligatory are counted. The Partbreds will be ranked according to their individual entries to generate the result for the Cup.

A horse that competes on the SC, NCW or NC levels and also wants to participate in the All-round Championships, may only do so on the Elite (Master) level. It is only allowed to start at one All-round level and if the horse starts classes at multiple levels, it is the highest single-class it is participating in that determines which All-round level you qualify for. In the entry form you must therefore, first, state the desired All-round level and in which classes belonging to that level, you want to participate in. Second, register the independent (Mono) classes according to the complete class list below. Participation in 1 Classic, 1 Western and Time Events Cup is allowed for an equipage but check carefully that the number of entries per day not exceed what is allowed (se below).

Participants in All-round Championships **must participate in at least 4 classes** (show class + 3 ridden/at hand classes in Western). For the Classic All-round, either a dressage or show class is mandatory according to the table below. In Western All-round either reining or trail / trail at hand is mandatory. Be sure to check what the mandatory classes are for each level. In the Classic All-round with two dressage/show jump classes, results from the highest level will be counted for those that participate at both levels, except if the equipment is excluded from a class. For participants in All-round, it is mandatory that the rider also presents the horse in the show class. The event leader can give exceptions in very special cases.

**All-around points** are given to participants that take part in relevant show-class in relation to the number of horses in that class; highest point = the number participants in the All-around Championship. The show-class is separated into stallion, mare, gelding and Part-bred (including all genders). Thus, if an All-around has five participants a maximum of 5 points can be achieved provided that all horses are in the same class – theoretically a mare (87.5 points), a stallion (89 points) and three geldings (A= 85, B=89.5, C=82 points) will yield the All-around points: Gelding B: 5points; stallion: 4points; mare: 3 points, gelding A: 2 points and; gelding C: 1 point).

### Ranking system for the All-round Championships

Number of entries in class	All-round points							
	1 <sup>st</sup>	2 <sup>nd</sup>	3 <sup>rd</sup>	4 <sup>th</sup>	5 <sup>th</sup> ....	10 <sup>th</sup> ....	11 <sup>th</sup>	15 <sup>th</sup>
3	3	2	1	0				
4	4	3	2	1	0			
10	10	9	8	7	6	1	0	
15	10	9	8	7	6	1	0	

The points for each All-round is calculated depending on number of participants in that discipline, maximum points = participants in the All-round. For instance, five participants generate five points in the Cup provided that all enters that discipline. Consequently, if only four of the five All-round riders enter a discipline, the winner will get 4 points, the second gets 3 points, etc. If only one All-round rider enters only one point can be attained. Maximum point is 10, regardless number of participants.

**All-round results** for each participant are calculated on max. 6 of the classes the equipment participated in, namely the obligatory show class, the mandatory ridden class (dressage alternatively jumping in the classic All-round, alt. trail or reining in western All-round) and the four best results in remaining classes. Disqualified: Counted as an entry to establish the total number to be scored but will receive 0 points. (e.g. 4-3-2-0). Equally placed: Receives same score but the next point level below will be skipped (e.g. 4-3-3-1).

Credits: For the All-round Championships, previous (2019) results for endurance or racing can be credited. Clear Round (CR) gives 1 point up to 80 km and 2 points for 120 km - 160km. All racing entrances give 1 point, if more than one equirage in the same All-round has participated in the same race the normal ranking will be applied.

If two or more horses have the same final All-round score, the winner will be the one who achieved the highest score in the show class. If a contestant is not present at the award ceremony, the title and the prize will be awarded to the second placed.

### **Other information**

Additional and supplemental information like patterns, riders notice, grill-party etc. will be posted on [www.ahis.se](http://www.ahis.se)

Any questions concerning the terms and contents of the schedule, incl. "translating" the Swedish dressage levels, are answered by Elin Edling, on email: [elin\\_shamali@hotmail.com](mailto:elin_shamali@hotmail.com)

If urgent, questions regarding rules can be answered by the event leader at phone no. +46 070-6838959. Questions regarding registrations are answered by Caroline Fossum:
