AHIS BARREL RACE & POLE BENDING

ONLINE EVENT • AUTUMN 2026

Officials

Judge: Elin Edling

Competition Leader: Elin Edling

Classes

- Barrel Race
- Pole Bending

Entry & Registration

Entries are made through HorseDB (dlarsson.se), where you register for “Onlinetävling Hösten 2026”.

You will be assigned an individual competitor number manually by the relevant discipline leader. It is therefore important that you enter your telephone number in your HorseDB user information so that we can contact you with your competitor number and, after the competition has been completed, your results.

IMPORTANT – Non-members: If you are a non-member and wish to compete, regardless of the horse's breed, register under the category “Övriga” (Other) in HorseDB. This is necessary so that your entry is registered correctly in the system.

Questions and film submissions should be sent to Elin Edling via WhatsApp: 070 683 89 59.

You do not need a competitor number bib. Simply state the competitor number assigned to you by the discipline leader in your video. You may therefore not start filming before you have received your personal competitor number.

Your video may be selected at random and published on the AHIS Facebook page. If you do not wish this to happen, please state this when registering.
