The event is open for entries and participation from **1 October to 26 October 2026**.

# Entry & HorseDB

Entries are made via HorseDB – Event Entry. Register for the event **“Onlinetävling hösten 2026”**.

You will be assigned an individual competitor number, which will be your personal competitor number in HorseDB. It is important that you enter your telephone number in the free-text field so that your competitor number can be sent to you via WhatsApp, together with your result after the competition.

**You do not need a number bib.** State only the number assigned to you via WhatsApp in the video, together with the class you are entering.

**You may not start filming until you have received your personal competitor number.**

Your video may be selected at random and published on the AHIS Facebook page. If you do not want this, please state so when entering. Videos and questions should be sent to Elin Ekelund Husborn via WhatsApp: 070-6178878.

**Entries and videos must be submitted no later than 27 October 2026.**

Videos are sent to Elin via WhatsApp 070-6178878 between 1 October and 26 October.

## Rules for Filming the Round

- At the beginning of the video, show the competitor number (received when entering).
- State/show the rider's name, horse's name, class and height, and the date on which the video is filmed.
- Before starting the round, nod towards the camera; when the round is finished, nod towards the camera.
- All equipment and attire must comply with the regulations for show jumping according to TR III.
- **DO NOT film against the light.**
- Only one horse-and-rider combination may appear in the video.
- Only one horse-and-rider combination may be on the course.
- The person filming must keep a steady hand and follow the entire round.
- Zoom in when necessary so that the round can be seen clearly.
- The video must not be edited in any way. There must be no interruptions or cuts; it must be filmed in one continuous take, and the entire horse-and-rider combination must remain visible throughout the round.
- The discipline lead and judge reserve the right to disqualify a competitor if they consider the video insufficient for judging.
- Payment must be completed before the competitor number is issued. Unpaid entries are considered not entered.
- **The final entry deadline for all classes is 26 October 2026, and the final deadline for submitting the video is 27 October 2026. Videos submitted later will not be judged.**
- After the round, the person filming must slowly film the rider's and horse's equipment so that it is clear that only permitted equipment is being used (such as bit, bridle, noseband, reins, saddle, stirrups, boots/shoes, spurs and whip). Pause at each item that may need to be inspected. This must be filmed at the same video quality/frame rate as the round itself.

## Classes Offered

| CLASS | HEIGHT / FORMAT |
|---|---|
| **Clear Round** | Any height from 20 cm. |
| **Clear Round with Style Assessment** | 70 cm • 80 cm • 90 cm |

There will be one combined results list for all heights. 1st, 2nd and 3rd place rosettes will be awarded to the horse-and-rider combinations with the highest number of style points and the fewest faults. The same combination may start at two different heights. Judging is carried out according to the **Inverkansprotokoll** (performance/style assessment protocol).

## Costs

| | |
|---|---|
| **AHIS membership 2026** | SEK 150 |
| **Clear Round – any height** | SEK 100 members • SEK 125 non-members |
| **Clear Round with Style Assessment** | SEK 150 members • SEK 175 non-members |
| | |

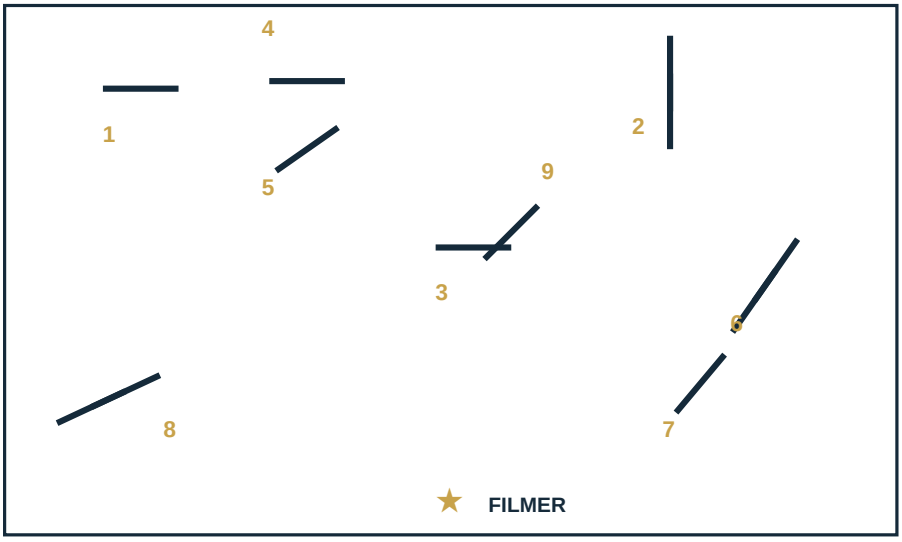
AHIS membership is paid separately according to AHIS membership information.

# Course Layout & Requirements

The course consists of obstacles **1–9**. Place the obstacles as similarly to the course sketch as possible; the colour of the obstacles does not matter.

Obstacle standards may be replaced with sugar blocks/cavaletti blocks if necessary and if suitable for the obstacle height.

For oxers, the front rail should be approximately **5–10 cm lower** than the back rail. On triple bars, the difference between the front, middle and back rails may be a maximum of **10–15 cm**. The person filming positions themselves at the star.



| Obstacle | Type |
|---|---|
| 1 | Vertical |
| 2 | Oxer |
| 3 | Vertical |
| 4 | Vertical |
| 5 | Vertical |
| 6 | Oxer |
| 7 | Vertical |
| 8 | Oxer |
| 9 | Vertical |

**GOOD LUCK! • LYCKA TILL!**
